4 (b) "Private information" shall mean either: (i) personal information  
5 consisting of any information in combination with any one or more of the  
6 following data elements, when either the data element or the combination  
7 of personal information [✗] plus the data element is not encrypted, or  
8 is encrypted with an encryption key that has also been accessed or  
9 acquired:

10 (1) social security number;

11 (2) driver's license number or non-driver identification card number;  
12 [~~✗~~]

13 (3) account number, credit or debit card number, in combination with  
14 any required security code, access code, [~~✗~~] password or other informa-  
15 tion that would permit access to an individual's financial account;

16 (4) account number, credit or debit card number, if circumstances  
17 exist wherein such number could be used to access an individual's finan-  
18 cial account without additional identifying information, security code,  
19 access code, or password; or

20 (5) biometric information, meaning data generated by electronic meas-  
21 urements of an individual's unique physical characteristics, such as a

28 "Private information" does not include publicly available information  
29 which is lawfully made available to the general public from federal,  
30 state, or local government records.

31 (c) "Breach of the security of the system" shall mean unauthorized  
32 access to or acquisition of, or access to or acquisition without valid  
33 authorization, of computerized data that compromises the security,

36 [~~personal~~], private information by an employee or agent of the business  
37 for the purposes of the business is not a breach of the security of the  
38 system, provided that the private information is not used or subject to  
39 unauthorized disclosure.

40 In determining whether information has been accessed, or is reasonably  
41 believed to have been accessed, by an unauthorized person or a person  
42 without valid authorization, such business may consider, among other  
43 factors, indications that the information was viewed, communicated with,

55 person, such as fraudulent accounts opened or instances of identity  
56 theft reported.

1 (d) "Consumer reporting agency" shall mean any person which, for mone-  
2 tary fees, dues, or on a cooperative nonprofit basis, regularly engages

13 information shall disclose any breach of the security of the system  
14 following discovery or notification of the breach in the security of the  
15 system to any resident of New York state whose private information was,  
16 or is reasonably believed to have been, accessed or acquired by a person  
17 without valid authorization. The disclosure shall be made in the most  
18 expedient time possible and without unreasonable delay, consistent with  
19 the legitimate needs of law enforcement, as provided in subdivision four  
20 of this section, or any measures necessary to determine the scope of the  
21 breach and restore the [~~reasonable~~] integrity of the system.

22 (a) Notice to affected persons under this section is not required if  
23 the exposure of private information was an inadvertent disclosure by  
24 persons authorized to access private information, and the person or  
25 business reasonably determines such exposure will not likely result in  
26 misuse of such information, or financial harm to the affected persons or  
27 emotional harm in the case of unknown disclosure of online credentials  
28 as found in subparagraph (ii) of paragraph (b) of subdivision one of  
29 this section. Such a determination must be documented in writing and  
30 maintained for at least five years. If the incident affects over five  
31 hundred residents of New York, the person or business shall provide the  
32 written determination to the state attorney general within ten days  
33 after the determination.

34 (b) If notice of the breach of the security of the system is made to  
35 affected persons pursuant to the breach notification requirements under  
36 any of the following laws, nothing in this section shall require any  
37 additional notice to those affected persons, but notice still shall be  
38 provided to the state attorney general, the department of state and the  
39 division of state police pursuant to paragraph (a) of subdivision eight  
40 of this section and to consumer reporting agencies pursuant to paragraph  
41 (b) of subdivision eight of this section:

51 (iv) any other data security rules and regulations of, and the stat-  
52 utes administered by, any official department, division, commission or  
53 agency of the federal or New York state government as such rules, regu-  
54 lations or statutes are interpreted by such department, division,  
55 commission or agency or by the federal or New York state courts.

1 3. Any person or business which maintains computerized data which  
2 includes private information which such person or business does not own  
3 shall notify the owner or licensee of the information of any breach of  
4 the security of the system immediately following discovery, if the  
5 private information was, or is reasonably believed to have been,

7 5. The notice required by this section shall be directly provided to  
8 the affected persons by one of the following methods:

9 (a) written notice;

10 (b) electronic notice, provided that the person to whom notice is  
11 required has expressly consented to receiving said notice in electronic  
12 form and a log of each such notification is kept by the person or busi-  
13 ness who notifies affected persons in such form; provided further,  
14 however, that in no case shall any person or business require a person  
15 to consent to accepting said notice in said form as a condition of  
16 establishing any business relationship or engaging in any transaction.

17 (c) telephone notification provided that a log of each such notifica-  
18 tion is kept by the person or business who notifies affected persons; or

19 (d) substitute notice, if a business demonstrates to the state attor-

21 fifty thousand dollars, or that the affected class of subject persons to  
22 be notified exceeds five hundred thousand, or such business does not  
23 have sufficient contact information. Substitute notice shall consist of  
24 all of the following:

25 (1) e-mail notice when such business has an e-mail address for the  
26 subject persons, except if the breached information includes an e-mail  
27 address in combination with a password or security question and answer  
28 that would permit access to the online account, in which case the person  
29 or business shall instead provide clear and conspicuous notice delivered  
30 to the consumer online when the consumer is connected to the online  
31 account from an internet protocol address or from an online location  
32 which the person or business knows the consumer customarily uses to  
33 access the online account;

34 (2) conspicuous posting of the notice on such business's web site  
35 page, if such business maintains one; and

36 (3) notification to major statewide media.

37 6. (a) whenever the attorney general shall believe from evidence  
38 satisfactory to him or her that there is a violation of this article he  
39 or she may bring an action in the name and on behalf of the people of  
40 the state of New York, in a court of justice having jurisdiction to  
41 issue an injunction, to enjoin and restrain the continuation of such  
42 violation. In such action, preliminary relief may be granted under  
43 article sixty-three of the civil practice law and rules. In such action  
44 the court may award damages for actual costs or losses incurred by a  
45 person entitled to notice pursuant to this article, if notification was  
46 not provided to such person pursuant to this article, including conse-  
47 quential financial losses. Whenever the court shall determine in such  
48 action that a person or business violated this article knowingly or  
49 recklessly, the court may impose a civil penalty of the greater of five  
50 thousand dollars or up to [~~ten~~] twenty dollars per instance of failed  
51 notification, provided that the latter amount shall not exceed [~~one~~] two  
52 hundred fifty thousand dollars.

53 (b) the remedies provided by this section shall be in addition to any  
54 other lawful remedy available.

55 (c) no action may be brought under the provisions of this section  
56 unless such action is commenced within [~~two~~] three years [~~immediately~~]

1 after either the date [~~of the act complained of or the date of discovery~~  
2 ~~of such act~~] on which the attorney general became aware of the  
3 violation, or the date of notice sent pursuant to paragraph (a) of  
4 subdivision eight of this section, whichever occurs first. In no event  
5 shall an action be brought after six years from the date of discovery of  
6 the breach of private information by the company unless the company took  
7 steps to hide the breach.

8 7. Regardless of the method by which notice is provided, such notice  
9 shall include contact information for the person or business making the  
10 notification, the telephone numbers and websites of the relevant state

14 ably believed to have been, accessed or acquired by a person without  
15 valid authorization, including specification of which of the elements of  
16 personal information and private information were, or are reasonably  
17 believed to have been, so accessed or acquired.

18 8. (a) In the event that any New York residents are to be notified,  
19 the person or business shall notify the state attorney general, the  
20 department of state and the division of state police as to the timing,  
21 content and distribution of the notices and approximate number of  
22 affected persons and shall provide a copy of the template of the notice  
23 sent to affected persons. Such notice shall be made without delaying  
24 notice to affected New York residents.

25 (b) In the event that more than five thousand New York residents are  
26 to be notified at one time, the person or business shall also notify
